

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

HALF-PAY.

Admiralty, 14th June 1871.

1. My Lords are pleased to direct that in future every Officer entitled to Half-pay shall, without application on his part, be placed on the Half-pay List as soon as his full-pay ceases, and his accounts are clear.

2. Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they, or any of the Officers under their command, are discharged to Half-pay, one of the returns herein-after specified, and headed respectively "(A) Foreign Service," "(B) Home Service."

3. The Form already required to be furnished, and specified at page 175 (Appendix) of the Addenda (1868) to the Admiralty Instructions, will suffice for officers returning to Half-pay from Foreign Service, amended as per specimen annexed and marked A.

4. Whenever an Officer is discharged abroad to return to England, who will be entitled to Leave of Absence on Full-pay after arrival, the Forms headed "(A) Foreign Service," directed to be forwarded to their Lordships, the Commander-in-Chief, and the Accountant-General, are to be handed to him with his pay documents for delivery; but if he will not be entitled to such Full-pay Leave, it will only be necessary to furnish him with the Forms for their Lordships and the Accountant-General. The date of his leaving England, and also the circumstances under which he is returning home, are to be filled in previously; and should he take passage in a Ship of War, the date of arrival is to be inserted and certified by the Commanding Officer of the Ship in which he takes passage; should he return to England in any vessel not belonging to the Royal Navy, then the date of arrival is to be inserted and certified by the Commander or owners of such vessel.

V. An Officer returning to England, if entitled to Full-pay Leave after arrival, is to be borne on the books of the Flag-Ship at whichever port is most convenient to him. The name of such Flag-Ship should be inserted in the left-hand corner on the other side of this Form before the Officer embarks for passage to England.

VI. The Full-pay only of the respective ranks will be allowed while on leave, *excluding* Command Money to Lieutenants and Staff-Commanders in Command, Senior and Gunnery Allowances, and all other additions to Full-pay.

VII. No Advance or Payment on Account is to be made by the Paymasters to an Officer while on Full-pay Leave under the Circular; the Pay Tickets are to be forwarded from the Flag-Ship to the Accountant-General, by whom only the time on leave can be investigated, and the amount due paid, when the Officer's leave expires.

VIII. By Her Majesty's Orders in Council, it is directed that the leave is only allowed at their Lordships' discretion, on return from Foreign Service, as follows:—

Over 2 and under 3 years, 6 weeks on Full-pay.

" 3 " 4 " 7 " "

This boon will not be granted to Officers returning to England from civil employment, or on promotion without service in the higher rank under appointments confirmed by their Lordships; nor to Officers retired, superseded for their own convenience, dismissed by Sentence of Court-Martial, or removed from their Ships for any misconduct.

FLEET CIRCULAR No. 5.—C.

Admiralty, 27th March, 1877.

The entry of Navigating Cadets having ceased, my Lords Commissioners of the Admiralty are pleased to issue the following regulations for the performance of the Navigating and Pilotage duties of the Fleet, and for the carrying out of the necessary arrangements affecting the present Navigating class of officers.

1. Circular No. 40 C, of 7th August, 1873, and No. 18 C, of 8th October, 1876, are hereby superseded, and their provisions, so far as they are retained, are embodied in this circular.

2. Lieutenants, under four years' standing, and Sub-Lieutenants who apply to be appointed to Navigating and Pilotage duties, will, if approved by their Lordships, be accepted, and required to pass the Pilotage examination in the Hydrographic Office, Whitehall.

3. No Lieutenant will be eligible until he has completed one year's service at sea as a Lieutenant. Every Sub-Lieutenant who has elected Navigating duties will, when promoted to the rank of Lieutenant, be appointed to a sea-going ship to serve one year as a watch-keeping officer.

4. Lieutenants may, after performing Navigating duties for three years, pass for First-Class Ships; and Commanders must have passed for First-Class ships, either as Lieutenant or Commander, before they can be considered as Navigating officers.

5. Within the first five years of their service, Lieutenants accepting Navigating Appointments will be required to go through a short course of gunnery in the "Excellent" or "Cambridge," and in the Quarterly Returns of gunnery from Her Majesty's ships, it will be reported whether they are competent to drill quarters, and are conversant with the rifle and sword exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

6. Officers who qualify for Navigating duties will be required to perform those duties, if called on to do so, until promoted to the rank of Captain.

7. They will be required to take a share in the ordinary duties of their ships, such as Watch-keeping, acting as Divisional Officers, &c., as in the case of Gunnery Lieutenants. But this participation in the ordinary duties is not to interfere with their special Navigating duties, and is to be arranged at the discretion of the Captain.

8. If the Officer appointed for Navigation duties should be senior to the Senior Officer appointed for Executive Duties, he will, in the absence of the Captain, succeed to the command of the ship. But he is not to take upon himself the routine duties of the Executive Officer except by order of the Captain, or in case of necessity.

9. Executive Officers selected for Navigating duties will remain eligible for promotion to the highest rank in the Service; and, as Captains and Commanders, they, as well as Staff-Captains and Staff-Commanders, may be appointed Masters Attendant, Assistant Masters Attendant, and Queen's Harbour Masters.

10. The pay of Executive Officers performing Navigating duties will be as follows:—

Commanders.—The full pay of their rank, and, when appointed to Flag Ships, extra pay of from 2s. 6d. to 5s. a-day. At the discretion of their Lordships.

Lieutenants.—The full pay of their rank, and, if of five years' seniority and upwards, extra pay of Under five years' seniority, extra pay of 3s. a-day.

If passed for First Class Ships, without regard to seniority, extra pay of 2s. 6d. a-day.

Sub-Lieutenants.—The full pay of their rank and extra pay of 4s. a-day. 2s. 6d. a-day.

11. All Officers now on the lists of Staff-Captains, Staff-Commanders and Navigating Lieutenants, will continue to perform the same duties, and be eligible for the same appointments as at present.

12. Navigating Sub-Lieutenants, on being selected for promotion, will be allowed the option of being placed either on the Lieutenants' or on the Navigating Lieu-

tenants' list; but if they elect the Executive list will still be required to perform the same duties. Lieutenants who are appointed for Navigating if called on to do so, until promoted to the rank of Captain.

13. Officers who have been promoted from the Navigating Sub-Lieutenants' list to the Lieutenants' list, within the first six months of their service, will be required to go through a course of Gunnery in the "Excellent" or "Cambridge," and in the Quarterly Returns of gunnery from Her Majesty's ships, it will be reported whether they are competent to drill Quarters, conversant with the Rifle and Sword Exercises, and that facilities are afforded these officers for up their knowledge on these subjects.

14. Acting Navigating Sub-Lieutenants, will, pending their examinations, including Pilotage, be allowed the option of being placed on the Lieutenants' list, or on the Navigating Sub-Lieutenants' list. If they elect the Executive list, they will, upon it with the seniority which they would have had should they remained on the Navigating list, their seniority happen to be the same as any Sub-Lieutenant who has always been a Sub-Lieutenant, they will be placed on the list of Sub-Lieutenants.

15. Acting Navigating Sub-Lieutenants, who on the Sub-Lieutenants' list, will be appointed "Excellent" for a course of Gunnery instruction will be required to perform Navigating duties on to do so, until promoted to the rank of Captain.

16. Officers transferred from the Navigating Sub-Lieutenants' list to the Executive list will be eligible for promotion to the highest rank in the Service; and they will be allowed the same rules as to promotion, pay, retirement, and other matters as officers who have always been on the Executive list.

17. Executive officers, and officers appointed to the Executive list, who perform special duties, will be shown, in the "Navy List" under the letter N against their names.

ROYAL NAVAL COLLEGE, GREENWICH.

EXTRACT FROM CIRCULAR No. 5-C.

Admiralty 26th January, 1873.

Whereas Engineers Officers by the Regulations of June, 1871.)

By Her Order in Council, dated 16th January, 1873, sanctioning the founding of a Royal Naval College at Greenwich, my Lords have determined that the College on the 1st of February next, at the instruction of the Gunnery Lieutenants and Lieutenants will commence. The arrangements for the higher courses of study will not be commenced until the beginning of the ensuing term on the 1st of May. Provisions have been made to prevent any disarrangement in the studies of Students who will hereafter be admitted.

Subject to the subjoined Regulations, the following ranks:—
Lieutenants and Acting Navigating Officers.

Lieutenants and Acting Navigating Officers.

Lieutenants and Acting Navigating Officers.

continue the instruction given in the "Excellent" Gunnery Ship as heretofore, and arrangements for instruction in practical surveying will also be continued at Portsmouth.

My Lords desire, by the establishment of the College, to give to the Executive Officers of the Navy generally, every possible advantage in respect of scientific education; but no arrangements will be made at all prejudicing the all-important practical training in the active duties of their profession.

The object of securing, in the interest of the Naval Service, the highest possible scientific instruction is, in the opinion of my Lords, most effectually to be attained by bringing together in one establishment all the necessary means for the higher education of Naval Officers and of others connected with the Navy.

The number of Students at the College will render it possible not only to carry out instruction by individual tuition as hitherto, but to secure a staff of eminent professors, to arrange lectures and classes, and to provide chemical and physical laboratories, on a scale which has hitherto not been possible in any naval establishment.

Complete courses of study suitable for the different classes of Students admitted will be organised, and will be carried out by professors, lecturers, and instructors. Officers and others admitted as Students will have the advantage of these courses of study, whether they reside or not. But Officers and others who may not become students will, under certain regulations, have free access to separate courses of lectures, the benefit of which it is desired to extend as far as possible.

The following are the proposed courses of study:—

Subjects.

1. Pure Mathematics, including Co-Ordinate and Higher Pure Geometry, Differential and Integral Calculus, Finite Differences, and the Calculus of Variations.

2. Applied Mathematics, viz., Kinematics, Mechanics, Optics, and the Theories of Sound, Light, Heat, Electricity, and Magnetism.

3. Applied Mechanics, including the Theory of Structures, the Principles of Mechanism, and the Theory of Machines.

4. Nautical Astronomy, Surveying, Hydrography, with Maritime Geography, Meteorology, and Chart Drawing.

5. Experimental Sciences:—

- a. Physics, viz., Sound, Heat, Light, Electricity, and Magnetism.
- b. Chemistry.
- c. Metallurgy.

6. Marine Engineering in all its branches.

7. Naval Architecture in all its branches.

8. Fortification, Military Drawing, and Naval Artillery.

9. International and Maritime Law; Law of Evidence and Naval Courts Martial.

10. Naval History and Tactics, including Naval Signals and Steam Evolutions.

11. Modern Languages.

12. Drawing.

13. Hygiene—Naval and Climatic.

A certain latitude in selecting such courses of study as they may prefer will be allowed to Officers voluntarily attending the College. Officers and others required to attend by the Regulations will follow such courses of study as may from time to time be prescribed.

The general organization of the College will be as follows:—

A Flag Officer will be President; he will be assisted by a Captain in the Royal Navy in matters affecting discipline, and in the internal arrangements of the College unconnected with study.

A Director of Studies will, under the President, organize and superintend the whole system of instruction, and the various courses of study.

There will further be—

- A Professor of Mathematics.
- A Professor of Physical Science.
- A Professor of Chemistry.
- A Professor of Applied Mechanics.
- A Professor of Fortification.

Such Instructors in Mathematics and the other branches specified as may be necessary to assist the Professors will be added to the Staff. Lecturers will be appointed to deliver courses of Lectures in Naval Architecture, Metallurgy, Civil and Hydraulic Engineering, Maritime Law, Naval History, and Tactics, and Hygiene.

A Naval Officer will conduct instruction in Nautical Astronomy and Surveying, and there will be two instructors in Steam.

Such provisions will be made for instruction in French and German and in Drawing, as the numbers of Students desirous of following courses in these branches may render necessary.

The following changes are introduced in the Regulations as regards the time of study in the case of Officers who are required to attend the College.

(a.) The time allowed to Acting Sub-Lieutenants to qualify for their Examination in Navigation for Lieutenants will be extended from six weeks to six months.

(b.) Gunnery Lieutenants will be required to pass a term of nine months (from 1st October to 30th June) in the College at Greenwich before commencing their practical course in the "Excellent." Instead of, as at present, a term of seven months after they have completed it.

Officers, on applying to qualify as Gunnery Lieutenants, if they have not already served one year at sea as Lieutenants, will be at once appointed to a sea-going ship, in order to complete the year's service required before they commence their studies.

(c.) My Lords propose that successful Candidates for Commissions in the Royal Marine Light Infantry should, before receiving their Commissions, have the advantage of a term of study in the College. They also propose to assign a longer term of study to officers of the Royal Marine Artillery; but the final arrangements with regard to Marine Officers have not yet been concluded.

(d.) All acting Assistant Engineers will in future be sent to Greenwich, after leaving the dockyards, for a period of study before their appointment to sea-going ships.

As regards Officers on half-pay, my Lords are particularly anxious that young Lieutenants should at once, on their promotion to that rank, avail themselves of the advantages of the College before their turn would come for appointment to a ship. The regulations specify allowances which are intended to remove any pecuniary difficulties in attending the College; and special consideration for appointments will be given to Lieutenants who thus occupy in so useful a manner the time necessarily spent on shore.

Arrangements have been made for the admission of Naval Engineer Officers to the College, which will prevent time spent at the College from entailing any pecuniary loss upon them.

The School of Naval Architecture at South Kensington will be absorbed in the Royal Naval College, Greenwich. The regulations for the admission of Engineer Students and of Dockyard Apprentices have been so framed as to provide as nearly as possible the same aggregate for their instruction as that which is now afforded at South Kensington. Further regulations will be issued by their Lordships in regard to the admission of prize Students to the course of study at the College on similar conditions to those now existing at South Kensington.

My Lords have further determined to admit a limited number of Officers of the Mercantile Marine as Students of the College, enjoying the full advantages of the whole course of instruction and tuition by the Education Staff, while Officers of the Mercantile Marine generally will, on application, be allowed to attend courses of lectures.

The paramount object which my Lords have pursued in the organisation of the College has been to provide the most efficient means for the higher education of Naval Officers adequate to the constantly increasing requirements of the Service; but my Lords also anticipate great advantages from the results likely to accrue from the connection which will be established between the College between men distinguished in the various departments of mathematical, physical, and chemical science, and those practical problems which so vitally interest the navigator, the naval architect, and the naval engineer.

My Lords expect the College to become, not only an educational establishment affording the means of highest training in theoretical subjects to Naval Officers of all classes, but also a nucleus of mathematical and mechanical science specially devoted to those branches of scientific investigation which have most interest to the Navy.

REJECTION OF ACTING SUB-LIEUTENANTS AT THE EXAMINATION IN GUNNERY ON BOARD HER MAJESTY'S SHIP "EXCELLENT."

[Circular No. 3 (C) of 30th Jan. 1873, p. 8, et. vi.]

My Lords Commissioners of the Admiralty have taken into consideration the fact that, although failure on the part either of Midshipmen to pass their examination in Seamanship for the rank of Lieutenant, or of Acting Sub-Lieutenants to pass their final examination in Navigation at the Royal Naval College, involves a loss of seniority in some cases to a considerable extent, no such penalty is incurred in the case of rejection at the examination in Gunnery on board Her Majesty's Ship "Excellent," and hereby direct that for the future one month's seniority shall be forfeited for such rejection.

By command of their Lordships,

ROBERT HALL.

Order in Council of March 24, 1866, but with the following modifications in the latter case:—

(a.) To be retired at 70, if an Admiral of the Fleet or Admiral; at 68, if a Vice-Admiral; at 65, if a Rear-Admiral; whether or not they have hoisted their flag or have been employed at the Admiralty; provided also, that Officers promoted to Active Flag rank, subsequently to 24th March 1866, will be subject to the new scale of age for retirement when promoted to the rank of Vice-Admiral.

(b.) To be retired as soon as 10 years have elapsed since their flag was hoisted down, or (if they have not hoisted their flag) since their service as Captain ceased.

(c.) When so retired, the names of those who have hoisted their flags, or have been employed at the Admiralty, will, if they should desire it, be retained on the Active List according to seniority, until such time as they would have been compulsorily retired under the Order in Council of 24th March 1866; but they will not be entitled to rise above the rank of Admiral or Retired Admiral. Their names to be supplementary to the established numbers of the List, and to be printed in italics; and when ultimately removed from the List by death or otherwise, the vacancies so caused not to be filled up.

(d.) Flag Officers so retired retain their Good Service Pensions.

(e.) It shall be lawful for Her Majesty, in cases of distinguished service, to confer the rank of Retired Admiral of the Fleet on any present Flag Officer retired under the above conditions, provided he shall be qualified for that rank by seniority, and according to these Regulations; provided that there shall not be already three Retired Admirals of the Fleet.

8. Flag Officers now on the Active List, who elect to be retired under the new Regulations, to be promoted according to seniority to the rank of Admiral on the retired list, but without increase of retired pay.

9. The new requirement of service for promotion to the active rank of Vice-Admiral not to be enforced with regard to Rear-Admirals now on the Active List.

10. Rear-Admirals now on the Active List, who elect or are allowed to be retired at once under the new Regulations, to be entitled to 67½, instead of 6001, a year, as retired pay, subject to the deduction specified in the scale, but without the addition allowed for extra service.

11. Until the Active List of Admirals shall have been reduced to 7, only one in every two vacancies caused by retirement, or promotions consequent thereon, to be filled up.

[See Order in Council, 5th August 1875.]

12. Until the Active Lists of Vice-Admirals and Rear-Admirals shall have been reduced to 15 and 25 respectively, only one in every three vacancies caused by retirement, or promotions consequent thereon, to be filled up.

[See Order in Council, 5th August 1875.]

13. All vacancies caused by death to be filled up as they occur.

14. The Officers now holding the appointments of Vice-Admiral and Rear-Admiral of the United Kingdom, and First and Principal Naval Aide-de-Camp to Her Majesty, if retired as Admirals under the new Regulations, to receive an addition to their retired pay, not greater than the salary of their office; but the whole amount not to exceed the half-pay of an Admiral of the Fleet.

15. The new requirements of service for promotion to the rank of Rear-Admiral not to be enforced with regard to Captains now on the Active List, who are at present qualified by service for promotion under the old Regulations.

16. All Captains now on the Active List, of more than 8 years' standing, to be allowed the option of accepting, as to promotion and retirement, either the new Regulations, or those of Her Majesty's Order in Council of 24th March 1866, but with the following modifications in the latter case:—

(a.) Not to be allowed to remain on the Active List of Captains after the age of 60, or after 7 years have elapsed since their service as Captain ceased.

(b.) When promoted to the Active Flag List to be subject to the new Regulations in all respects, except that they will only be entitled, on retirement, to half-pay, according to the terms of the Order in Council of 24th March 1866.

17. All Captains now on the Active List, of less than 8 years' standing, to be allowed the same option, except that they will in no case be allowed to remain on the Active List after the age of 55.

18. Until the Active Lists of Captains, Commanders, and Lieutenants shall have been reduced to 180, 300, and 600 respectively, only one in every four vacancies caused by retirement, and promotions consequent thereon, to be filled up. Vacancies caused by death to be filled up as they occur.

[See Order in Council, 5th February 1872, 5th August 1875, altering this paragraph.]

19. No further additions to be made to the List of Reserved Flag Officers.

20. The new requirements of service for promotion not to be enforced with regard to Commanders and Lieutenants now on the Active List, who are at the present time qualified by service for promotion under the old Regulations.

21. Such Commanders and Lieutenants now on the Active List, as are not at the present time qualified by service for promotion, will be promoted under the new Regulations.

22. All Commanders and Lieutenants now on the Active List, who may be retired under the provisions of this scheme, to be allowed the option of retiring on the terms of the new Regulations, or on the retired scale

provided by Her Majesty's Orders in Council of 1st August 1866, 9th July 1864, and 24th March 1864. In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served for 5 years, but they will retain their present privilege as to rising in rank.

[See Order in Council of 21st July 1876, as to promotion of Commanders on attaining 15 years' seniority.]

23. The advantages conferred by the Order in Council of 30th June 1867 on some of the reserved Captains (F. G. List) to be extended to all such Captains; these Officers to be placed, according to seniority, as vacancies occur, on the Retired List, under Orders in Council of 24th April 1847, 25th June 1861, and 30th June 1867; and to rise to Flag Rank according to their seniority as Captain.

24. Until the present Active Lists shall have been reduced to the proposed numbers, any Officers may, with their consent, and at Our discretion, be retired: if above 40 years of age, on the terms of the new Regulations, if under 40 years of age, on the active half-pay of their rank.

All present Rules and Regulations, except in so far as they are expressly altered or limited by these General or Temporary Provisions, shall be deemed to remain in force.

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,
The 4th day of August 1875.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August 1875, in the words following, viz. :—

"Whereas in Your Majesty's Order in Council of 22nd February 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows :—

"Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion."

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted :—

"Captains who have been, or who may in future be, retired from the rank under Your Majesty's Order in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows :—

"To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea. Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired."

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause :—

"(a.) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders: Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service."

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships, Gunners Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted :—

"(a.) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions :—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender of such Ship, as Lieutenant or Commander, or in the ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"2. Three years served either before or after 1st August 1875, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender of such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"This shall not apply to any Officer who retired before 1st August 1875.

"3. Service subsequent to 1st August 1875, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, as their Tenders, shall, in such cases as we may direct, count as Service in a Ship of War at sea."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereon accordingly.

PROMOTION OF COMMANDERS AND LIEUTENANTS AND RETIREMENT OF SUB-LIEUTENANTS.

These provisions are modified by Order in Council,
[August 1873.]

At the Court at Osborne House, Isle of Wight,

The 5th day of February 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, in the words following, viz. :—

"Whereas Your Majesty, by Order in Council of 23nd February 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy: And whereas we are of opinion, in view of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, and such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also that it is necessary to establish regulations for the retirement of Sub-Lieutenants.

"We would, therefore, most humbly submit to Your Majesty:

"1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

"2. That until the list of Captains is reduced to one hundred and fifty, we be authorised to promote Officers to vacancies caused by retirement, according to the following scale :—

"(a) One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

"(b) One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Vice-Admirals, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

"(c) One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

"That we be further authorised, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in future arising from the retirement of Commanders.

"All vacancies arising from deaths, resignations, or to be filled up as they occur.

"That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorised to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may cause the List of Lieutenants to be temporarily in excess of the numbers authorised by Your Majesty's aforesaid Order in Council.

"That Captains who were promoted to that rank before the 1st April 1870, and who elected the new regulations for retirement, to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April 1870.

"That Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

"That the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with our consent and at our discretion, to retire irrespective of age.

"Retired Pay to be granted as follows :—After three years' seniority, *s. 4d.* per diem, an additional *6d.* being given for each complete year beyond three served as Sub-Lieutenant until the maximum is reached, viz., *6s.* per diem.

"Officers who, in our opinion, are not deserving of receiving retired pay on the above scale, to be granted such low rate of pay as we may think fit to award them.

"The service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 23nd February 1870, relating to Flag Officers, Captains, Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion fixed by the Order in Council.

"12. Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their retired pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act 34 and 35 Vict. cap. 55.

"13. The existing rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

"We therefore most humbly submit that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR No. 10.—C.

At the Court at Osborne House, Isle of Wight,

The 5th day of August 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the third of August, one thousand eight hundred and seventy-five, in the words following, viz. :—

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty-second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy: And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to Your Majesty :—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded :—

"Adjusting the Flag Ranks thus :—	
8 Admirals of the Fleet.	} Total 68.
10 Admirals.	
20 Vice-Admirals.	
35 Rear-Admirals.	

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement until the number is reduced to ten, and the addition to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplement-

ing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded; should there be more than fifteen vacancies in any year the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorized to sanction the optional retirement of Flag Officers and Captains at the following ages, viz. :—

"Admirals and Vice-Admirals	55
"Rear-Admirals	50
"Captains	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"5. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL, No. 2.—C.W.

At the Court at Osborne House, Isle of Wight,

The 21st day of July, 1870.

Present:

The QUEEN'S most Excellent Majesty in Council
WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of July 1870, in the words following, viz. :—

"Whereas we have had under our consideration the case of the Commanders of Your Majesty's Navy who have been placed on the Retired List of their Rank under Your Majesty's Orders in Council of 22nd February 1870 and 4th August 1870, and who, not having the requisite sea service, are not entitled to a step of rank on retirement; and whereas under the provisions of Your Majesty's Order in Council of 8th August 1870, Captains are allowed one step in rank, according to seniority, after retirement irrespective of any qualifying service. We most humbly submit to your Majesty that Commanders who have already been retired, or who may hereafter retire, without having served sufficiently long at sea to qualify for the promotion to the rank of Captain, may, at our discretion, be allowed to assume the rank of Retired Captain on attaining fifteen years' seniority, but without an increase of Retired Pay or Widow's Pension."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions here accordingly.

SERVICE ON COMMITTEES, &c.

At the Court at Windsor,
The 18th day of May 1870.

Present:

THE QUEEN's most Excellent Majesty in Council. Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th of May 1870 in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 1st February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion that it is desirable that further regulations be drawn on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a portion of such service to count as full service for the purpose of Pay, Half-pay, and Retirement, though not for the purpose of saving Officers from compulsory retirement on account of non-service; we would therefore submit that we be empowered to allow Officers to count a portion of the time so employed, namely, up to one month on Committees and Commissions, as full service. Afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-pay time, be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to reward him in such civil employment, he should continue in receipt of his former emoluments as though he had remained in the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chaplain, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies which may be caused by Retirement, or Pro-

motion consequent on Retirement, until the Lists may be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 26th June 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July 1864 it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymasters' time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February 1870 it has been provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion: We are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIREMENT OF CHAPLAINS.

At the Court at Osborne, Isle of Wight,
The 5th day of February 1872.

Present:

THE QUEEN's most Excellent Majesty in Council. Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January 1872, in the words following, viz.:

"Whereas Your Majesty was pleased, by your Order in Council of 22nd February, 1870, to establish Regulations for the Retirement of Chaplains, and Chaplains and Naval Instructors of Your Majesty's Navy: And whereas we are of opinion that it is expedient, in the interests of Your Majesty's Service, to allow such Officers to leave to serve Your Majesty at a period earlier than that laid down by the Order in Council: And whereas we are of opinion that the services of such Officers, if of a certain duration, should not be unrecognized: We therefore most humbly submit that Clause 6, paragraph 1 of the said Order in Council be cancelled, and that we be authorised to make the following regula-

"1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz.:

After 10 Years' Service . . .	£ 50 per annum.
" 15 " . . .	£ 100
" 20 " . . .	The amount earned by

service under Order in Council of 22nd February 1870.

"2. That Chaplains who have less than 10 years' service and accept a living, will be considered as desiring to resign Your Majesty's Service, and will accordingly not be entitled to any pecuniary retiring allowance, or to either Half or Retired Pay. The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein contained; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIREMENT OF PAYMASTERS AND ASSISTANT PAYMASTERS.

ORDER IN COUNCIL, No. 5.—C.

At the Court at Windsor,

The 3rd day of March 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of March 1873, in the words following, viz.:

"Whereas we have had under consideration the state of the Active List of Paymasters and Assistant Paymasters in Your Majesty's Fleet; and whereas we are of opinion that, in order to increase the efficiency of those Lists, and to maintain a steady and more equal flow of promotion, it is necessary to reduce the Active List below the numbers laid down by Your Majesty's Order in Council of 22nd February 1870, the numbers now borne being in excess of the requirements of Your Majesty's Service; we would, therefore humbly propose to Your Majesty—

- "1. That paragraphs three and four of section six of Your Majesty's said Order in Council of 22nd February 1870 be cancelled.
- "2. That the Active List of Paymasters, including Secretaries, be reduced to two hundred.
- "3. That the Active List of Assistant Paymasters, Clerks, and Assistant Clerks, be reduced to two hundred and thirty.
- "4. That until the Active List of Paymasters shall have been reduced to the numbers proposed, Paymasters, of whatever age, be retired, with their consent and at our discretion, on the terms laid down in Your Majesty's said Order in Council of 22nd February 1870.

"5. That until the Active Lists of Assistant Paymaster Clerks, and Assistant Clerks, shall have been reduced to the numbers proposed, Assistant Paymasters be retired, with their consent and at our discretion—

"(a.) If under three years' standing, with the pay of two shillings and sixpence per diem.

"(b.) If of three years' standing, with three shillings and sixpence per diem, an additional sixpence per diem being given for each complete year beyond three, the maximum is reached at five years, viz., six shillings per diem, these being the same terms as those laid down in Your Majesty's said Order in Council of 22nd February 1870.

"6. That until the list of Paymasters shall have been reduced to the number proposed, we be empowered to promote to the rank of Paymaster, in the cases caused by death or compulsory retirement, exceeding ten in any one year; but that in the case of voluntary retirement no promotion shall be made.

"We beg that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of the Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions thereon accordingly.

"Whereas Your Majesty was graciously pleased, by Your Order in Council of the 5th February 1873, to establish Regulations for the Retirement of Sub-Lieutenants of Your Majesty's Navy; and whereas, having had under our consideration the present state of the Active List of Navigating Sub-Lieutenants, we are of opinion that it is necessary to establish Regulations for the Retirement of Officers in this rank, we would therefore humbly submit to Your Majesty the following proposals:—

"2. Retired Pay to be granted as follows: after three years' seniority, 3s. 6d. per diem, an additional 6d. being given for each complete year beyond three served as Navigating Sub-Lieutenant until the maximum is reached, viz., 6s. per diem.

"3. Officers who, in our opinion, are not deserving of receiving Retired Pay on the above scale, to be granted such lower rate of Pay as we may think fit to award them.

"4. Service for Retired Pay to be calculated in accordance with the Provisions of Your Majesty's Order in Council of 22nd February 1870, relating to Navigating Officers, &c.; time during which a Navigating Sub-Lieutenant may be on Half-pay, after he has served 10 years in that rank, to reckon in the proportion fixed by the said Order in Council.

"5. Navigating Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their Retired Pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administration under the Act 34 and 35 Vict. cap. 86.

"6. The existing rules as to Half-pay to Navigating Sub-Lieutenants while on the Active List to remain in force.

"7. We would humbly submit to Your Majesty that the above Regulations be sanctioned, and we further propose to allow to apply the same to Navigating Sub-Lieutenant George Horwood, who has served for 41 years 4 months in Your Majesty's Navy, and who was discharged from Your Majesty's Coastguard Service in July 1873, on attaining the age of 60, from the date of his discharge.

"Whereas we have had under our consideration the position of Inspectors-General and Deputy Inspectors-General of Hospitals and Fleets in Your Majesty's Fleet, with reference to the provisions of Your Majesty's Order in Council of 22nd February 1870, and especially to the provisions that Service shall mean Service on Full-pay; and whereas Inspectors-General are not called upon to serve except in charge of Naval Hospitals at home; and whereas it is provided by the Order in Council of the 7th August 1869 that no Deputy Inspector-General of Hospitals and Fleets shall be promoted to the rank of Inspector-General of Hospitals and Fleets, unless he shall

and other Warrant Officers holding appointments in Her Majesty's Yards, if not entitled to civil superannuation, shall be allowed to count such service as Warrant Officer's time towards pension, on the above scale.

In the event of the above-mentioned officers having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted on duty, and not from want of proper care on their part, an increase of not more than 10% a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty, gratuities shall be granted under Article 18 of the Pension Regulations, at the discretion of the Admiralty, instead of the above increase.

Special Pensions, or gratuities in excess of the foregoing scale for service may, at the discretion of the Admiralty, be awarded when special services have been rendered requiring special reward; and such lower rates of pension as the Admiralty may think proper may

be granted to officers who have been guilty of misconduct.

Time during which an officer shall not have maintained a good character in the ships in which he has served shall not be allowed to reckon as service for Pension.

Chief Gunners, Chief Boatwains, Chief Carpenters, and Warrant Officers may, in such cases as it may be for their advantage, be pensioned on the scale for seamen, their service in the above ranks being allowed to reckon as superior petty time.

Chief Gunners, Chief Boatwains, Chief Carpenters, and Warrant Officers who have been dismissed from Her Majesty's service for what may be considered venial offences in the case of seamen, may, at the discretion of the Admiralty, and under the Provisions of Order in Council of 5th February 1850, be allowed Naval Pensions on the seamen's scale, provided they have twenty-one years' service, or are from age or other causes unfit for service as seamen in the Navy.

In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time.

GOOD SERVICE PENSIONS.

EXTRACT FROM PENSION REGULATIONS.

Good Service Pensions are awarded to Flag Officers and Captains of the Royal Navy under the provisions of Orders in Council of 19th July 1837, 27th April 1848, 23rd February 1870, 9th August 1873, and 5th May 1878; to Medical Officers under the provisions of Order in Council of 13th May 1850; to General Officers of Marines under the provisions of Orders in Council of 19th July 1837, 23rd April 1848, 23rd February and 31st March 1873, and to Colonels and Lieutenant-Colonels of Royal Marines under the provisions of Order in Council of 27th April 1850.

Under the provisions of these Orders in Council the following Pensions have been established:—

Flag Officers, 10 Pensions of 300 <i>l</i> . a year each (the increase being that two may be held by Vice-Admirals, and two by Rear-Admirals qualified for promotion).	12 Pensions of 150 <i>l</i> . a year each.
Captains, R.N.	3 " 100 <i>l</i> . "
Medical Officers, R.N.	6 " 300 <i>l</i> . "
General Officers, R.N.	2 " 150 <i>l</i> . "
Colonels and Lieutenant-Colonels, R.M.	

These Pensions shall not be held in addition to any other Pensions, unless it shall be a Pension conferred for wounds or injuries received in the Service.

Only Flag Officers and Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, on the Active List shall be eligible for the award of Good Service Pensions; but such Pensions may be granted to Medical Officers and to General Officers of Royal Marines, whether on the Active, Reserved, or Retired Lists.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

Flag Officers and General Officers of Royal Marines in receipt of these Pensions shall be allowed to retain them when being retired; but, in the case of Flag Officers, if the retired Pay and Good Service Pension together exceed

the Half Pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

Captains retired from the rank shall be allowed to receive, in Retired Pay together with Good Service Pension, a sum not exceeding 600*l*. a year; but, should the two together exceed that sum, they will be retired on 600*l*., relinquishing their Good Service Pension.

Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, shall forfeit their Good Service Pensions on promotion to be Flag, or General Officers, on the Active List.

Should any Flag Officers holding a Good Service Pension be in receipt of, or be appointed to, Full Pay (not including service on committees, or any temporary employment of a like nature) or Civil Salary, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Pay, or Salary, or Civil Pension; and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

When such employment shall have ceased, the officer shall resume his Good Service Pension, although the List be full, but in such case the next vacancy shall not be filled up.

A Captain, however, shall be allowed to draw his Good Service Pension irrespective of the receipt of Full or Half Pay or Civil Salary.

Captains, Royal Navy, and Colonels, Royal Marines, shall not be allowed to retain their Good Service Pensions when promoted on the Active List; and a Flag Officer shall give up his Good Service Pension if he become Governor of Greenwich Hospital or Naval Aide-de-Camp to Her Majesty.

A Naval Aide-de-Camp to Her Majesty deriving emolument from his office shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An Admiral of the Fleet shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

"Whereas Your Majesty was, by Your Order in Council of 2nd February 1870, most graciously pleased to sanction certain alterations in regard to the retirement of Officers in Your Majesty's Royal Marine Forces, whereof the effect is that service will not reckon for retirement until after 30 years of age: And whereas we are of opinion that the Regulations in respect of age should be modified in favour of those Officers who entered the Royal Marine Forces previous to the 1st April 1870, the day on which, by Your Majesty's Order in Council before mentioned, the said Regulations came into force: And whereas we deem it expedient, with the view of increasing the efficiency of Your Majesty's Royal Marine Forces, to provide, as a temporary measure, for the Retirement upon Annuities of a limited number of Officers whose services are not of sufficient length to bring them within the scale established by Your Majesty's Order in Council aforesaid: We do, therefore, most humbly submit that Your Majesty will

be pleased to sanction, with reference to the aforesaid Officers, the following modifications and temporary extension of the aforesaid Order in Council:—

"1. That all Officers who entered the Royal Marines before 1st April 1870, and who obtained their first Commission before attaining 18 years of age, be allowed to reckon their service for retirement from the age of 18; those who entered at or after 18 years of age, to reckon their service from the date of their first Commission, but the maximum rates of Retired Pay, fixed by clause 14 of the aforesaid Order in Council, shall, under no circumstances, be exceeded.

ORDER IN COUNCIL.—C.W.

At the Court at Balmoral,

The 23rd day of October 1876.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of October 1876, in the words and figures following, viz:—

"Whereas we have had under our consideration certain cases in which Officers of Your Majesty's Naval and Marine Forces have been dismissed from Your Majesty's Service by Court-Martial for misconduct, or have been allowed to resign their Commissions to avoid trial by Court-Martial: And whereas such Officers are in some cases after good service for many years, rendered destitute by being thus deprived of all professional re-

sources: We do therefore most humbly submit, that we be empowered at our discretion to grant compassionate allowances from this date, both to such Officers, and also to those who may hereafter be so removed from the list of Your Majesty's Naval or Marine Forces, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of such removal, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

NAVAL RETIREMENT PREVIOUS TO 1870.

FLAG OFFICERS.

1851.

Her Majesty, by Her Order in Council of 25th June 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals, and 51 Rear-Admirals: this reduction will be effected as follows, viz.:

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June 1837. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his Flag will be considered eligible for the appointment of Vice and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals (But not to be more than three Admirals of the Fleet at one time.)	21
Vice-Admirals	23
Rear-Admirals	43
Total	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

CAPTAINS.

1847.

The plan of retirement published in the London Gazette of 1st Sept. 1845, and carried out by Her Majesty's Order in Council of 24th April 1847, provides:—

1st. That the rank of Retired Rear-Admirals shall be given, by Seniority, to such applicants from the 1*st* 6*d*. Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 1*st* 6*d.* and 10*th* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*st* List to be filled up, in turn of Seniority, by Officers then accepting the 15*s.* per diem; but no new admissions to the 1*st* 6*d.* List to be made until it is reduced below the number of 35, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the 1*st* List receiving 1*l.* 5*s.* per diem, and the remaining 75, 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reductions shall be effected as follows, viz.:

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains will rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 300, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captain's List for ten years, to be eligible for retirement. The Retirement will be so kept up to 300 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10 <i>s.</i> 6 <i>d.</i> Half-pay List when retired	15 <i>s.</i> per diem.
If on 12 <i>s.</i> 6 <i>d.</i>	20 <i>s.</i>
If on 14 <i>s.</i> 6 <i>d.</i>	25 <i>s.</i>

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List. Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20s. per diem. Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

1864.

1. The Active List of Captains to be reduced from 350 to 300.
2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

If on the 10s. 6d. Half-pay List when retired	18s. per diem.
If on the 12s. 6d. " " "	" " "
If on the 14s. 6d. " " "	20s. " "

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 35s. per diem, subject, however, to the proviso contained in paragraph 8.

1. The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

2. Captains who shall be found physically unfit for service, may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 10s. or 20s. a day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of service, at the rate of 16s. a day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

3. A limited number of Captains who may have attained the age of 60, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

4. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a day; subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 35s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August 1860, to be allowed to rise to the higher grade on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August 1860 to be allowed more than the pay of 20s. a day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorised by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a day, in accordance with the Order in Council of 9th July 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age, retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

COMMANDERS.

1840.

1. This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10s. 6d. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75l. per annum if otherwise entitled thereto.

1851.

1. The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1. By selecting 50 Commanders to be Captains, as above specified.
2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1850, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.
3. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Ser-

vice, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (This list was abolished in May 1861.)

4. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

1856.

1. PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. Her Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living, shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers:—they will only be conferred on persons deserving the Public Bounty:—the ordinary Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer, and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commissioned Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Boatswain, or Carpenter, or Warrant Officer, married after the age of Fifty Years; except such as were warranted prior to 30th June, 1880, or who were on the Active List of Chief or other Warrant Officers on 1st

October 1875, or subsequently placed thereon in case the limit of age is sixty.

ii. If her husband, being capable of service, by own solicitation, been excused from service called upon, provided he was officially warned. A Widow would thereby forfeit the Pension, if her husband had been placed on permanent Half-Pay on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any misapplication of the public money, discovered proved in the final settlement of his account.

iv. If her husband had been guilty of Elongation, she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign Power, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months before the death of her husband, or if the Officer by whose right she claims the Pension, or said Officer was killed or drowned in an immediate duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the marriage, or any improper intention of obtaining the Pension from the Widow; and provided it be clearly shown that the Officer was in good health when he married, the disease which occasioned his death was not induced by any misconduct, or by any circumstances which he had control.

vii. If she shall receive any other Pension, or Allowance from the Government on account of her husband's services in a Naval or Military capacity, or if she shall receive Pensions from the Government in receipt of Pensions from the Admiralty, or if she shall be entitled to her Naval Pensions on account of her husband's services, in consequence of second marriage, she may be eligible for either a Navy or an Army Pension, and may elect to receive that which is most advantageous.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the

Greenwich Funds, they may be placed on the List of the Compassionate Fund, if otherwise eligible.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Mothers have been refused Pensions on account of private income, are not considered eligible for Compassionate Allowances under ordinary circumstances.

24. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay, are not eligible to be placed on the Compassionate List.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Standing at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Standing at the time of his death.

28. *Mothers*.—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within six months after being injured,

and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters*.—Sisters of Officers are not eligible for an Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within six months after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no ordinary rate of Pension attached to the rank of the Officer, such Pension may be granted if the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

PRIZE MONEY.

BY THE QUEEN.
A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date we were graciously pleased to annul, from and after the Fourth Day of September next, Our Royal Proclamation of the Nineteenth Day of May One thousand eight hundred and sixty-six, regulating, according to the

Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms

of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows: Videlicet—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed: that is to say—

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belong to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the

station, or after he has surrendered the command another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commanders-in-chief upon a special service, accompanied with orders to ret to such station as soon as the service has been performed) shall have no share in prizes taken by the ships or vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer or by ships or vessels under his immediate command after he has quitted the limits of the station, except has been detached as aforesaid.

A commander-in-chief or other flag officer belonging any station shall not share in any prize or prizes taken out of the limits of that station by any ship or ships under the command of a flag officer of any other station or under orders from our Commissioners of the Admiralty unless such commander-in-chief or flag officer is expressly authorised by our said commissioners to take command of that station in which the prize or prizes are taken, and shall actually have taken upon such command.

Every commodore having a captain under him shall esteem a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the Admiral and commander-in-chief of Our fleet, and also the first captain to any officer appointed to command a fleet of ten ships of line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is also to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of that station until he shall have received some order direct from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, navigating lieutenant commanding, or any other officer duly commanding any ship, sloop, or vessel war, singly making a capture or seizure, or others entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder; if there is no flag, one-tenth of the entire net proceeds except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants, commanding respectively Our ships and vessels war, and commanders under captains in rated ships shall share together, in whatever variety of combination the one-tenth shall be so divided into parts for a stated apportionment as to provide for each captain rating six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts; which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second

and field officers of marines (artillery or light infantry, or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains, and field officers of marines (artillery or light infantry, or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of ships. And We further direct, that after provision shall have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board or absent on duty in a prize (who it is his will and pleasure shall be the only absentees entitled to share) at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, set forth in the following scale:—

Her Majesty's Order in Council of the 22nd October, 1865, being now repealed:—

1. Whenever any proceeding has been instituted in any Vice-Admiralty Court within Her Majesty's dominions, by or on behalf of any of Her Majesty's Ships, for or in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1864, the Proctor who shall have conducted such proceeding on behalf of Her Majesty's Ship shall, on the

3. If there are not any proceeds, or if the proceeds are insufficient to pay the costs, the Commanding Officer shall either by himself or through the Agent of the Ship make provision for the payment of any sum that may be due in respect of any such proceeding as may have been instituted in the Court.

4. The Registrar of the Vice-Admiralty Court shall, soon as he has taxed the Bill of Costs, and whether the amount thereof has or has not been paid out of the proceeds, forward the same to the Registrar of the High Court of Admiralty of England, together with a Certificate, signed by himself, stating the amount of the proceeds, if any, the payments thereout, and the balance which has been paid to the Commissariat Officer.

5. The Agent for the Ship shall, when the proceeds and bounties have been paid to the Naval Prize Account, leave with the Registrar of the High Court of Admiralty of England his account for taxation, and may include therein any charges that may have been paid by the Commanding Officer or by himself, and the Registrar may direct the amount at which he shall have taxed said account to be paid out of the proceeds and bounties standing in the Naval Prize Account to the credit of the Prize.

6. The Registrar of each Vice-Admiralty Court shall, within a month after the termination of each quarter, send to the Registrar of the High Court of Admiralty of England a Return, signed by himself, in the form marked No. 1 hereto, of all Prizes in respect of which any proceedings have been taken in such Vice-Admiralty Court during that quarter.

By command of their Lordships,
To all Commanders-in-chief, &c.

At the Court at Windsor, the 5th day of December, 1875

PRESENT.

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is enacted (among other things) that several shares of any money in the several cases in which said Act enumerated distributable among the officers and crew of any of Her Majesty's ships-of-war shall be paid to the persons entitled thereto, in such manner as subject and according to such restrictions, conditions and provisions as might from time to time be directed by Order in Council;

And whereas it is by the said Act also enacted that Her Majesty in Council may from time to time make

as may seem meet for the better execution of said Act:

and, therefore, Her Majesty, by virtue of the powers in that behalf, by the said Act, or otherwise, in Her Majesty is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

Preliminary.

This Order shall commence from and immediately after the thirty-first day of December, one thousand eight hundred and sixty-five.

The Order in council of the first day of November, one thousand eight hundred and sixty-four, under the said Act, is hereby repealed; but not so as to revive any custom, practice, or other thing thereby abolished, or to affect the past operation of that Order, or the validity of anything done thereunder.

Terms used in this Order have the same respective meanings as in the said Act.

Payment of Prize Money into Bank, &c.

All money distributable among the officers and crew of Her Majesty's ships-of-war, within the meaning of the said Act (all which money is comprehended in the term "Prize Money" where hereafter used in this Order), shall be forthwith paid to the account of Her Majesty's Paymaster-General at the Bank of England, on account of Naval Prize, or into the hands of an official accountant (belonging to the Naval, Commissariat, or other department), in order that it may be entered to the said account.

Gazette Notice.

Before any money distributable as aforesaid is actually distributed, notification shall be given by advertisement inserted in the "London Gazette," under the sanction of the Admiralty.

Prize Remittance.

For the purposes of the provisions of this Order respecting Prize Remittances, the proper certifying authority shall be (in the several cases hereinafter mentioned) the following, namely:—

1. Where the payee resides in England, Wales, Scotland, the Isle of Man, or the Channel Islands, the minister and churchwardens or elders of the parish or district parish wherein the payee resides.
2. Where the payee resides in Ireland, the Inspector and Inspector of constabulary for the county, and a churchwarden of the parish wherein the payee resides.
3. Where the payee resides at Sierra Leone, the Commissariat officer there.
4. Where the payee resides in any other British possession out of the United Kingdom, two of the principal merchants or tradespeople of the place of residence.

And the ministers, churchwardens, elders, inspectors, commissariat officer, merchants, and tradespeople aforesaid (when respectively the proper certifying authority), are hereby required to furnish, in the several cases in this Order provided for, such certificates as are requisite for the purposes of this Order, and to see that respectively are satisfied of the truth of the matters required to be certified.

At a place where there is not any resident naval officer, paymaster, or accountant, payment of a share of any prize money shall be made in the United Kingdom and at Sierra Leone on a remittance bill, and at other places out of the United Kingdom in such manner as the Admiralty from time to time direct.

A remittance bill shall be paid in the United Kingdom by any officer of the revenue, and at Sierra Leone by the commissariat officer, who respectively shall comply in all respects with the instructions of the Admiralty issued on the authority for payment addressed to the proper officer.

The amounts so paid shall be repaid to the respective departments in the same manner as at present, and to such alterations as the Lords Commissioners of Her Majesty's Treasury and the Admiralty from time to time direct.

A remittance bill shall not be paid without a certificate from the proper certifying authority that the holder of the duplicate of the authority issued to the proper officer is the person named as payee in the prize money.

Payment shall only be made to the payee personally, unless on any occasion the payee is unable from age or bodily infirmity to appear personally, in which

case payment on that occasion shall be made to the person producing—

- (1.) The duplicate authority, together with the payee's order in writing, signed and witnessed, for payment to that person; and—
- (2.) A certificate from the proper certifying authority of the payee's being unable from illness or bodily infirmity to appear personally; or—
- (3.) A like certificate from the payee's legally qualified medical attendant;

provided the paying officer does not doubt the authenticity of the order or the truth of the certificate.

12. Payment shall not be made unless the paying officer is satisfied of the title of the claimant.

13. If on any application for payment the paying officer entertains any doubt as to the claimant's title to payment, he shall enquire into the matter, and may require from the claimant such statutory declaration or declarations of the claimant alone or with any other person or persons as the paying officer thinks requisite.

14. On paying a prize remittance bill, the paying officer shall take a receipt on the authority for payment addressed to him, and shall certify thereon (where so required) to his having satisfied himself of the title of the claimant.

15. Every certificate under this Order shall state the character in which each person certifying subscribes the same.

Assignments by Warrant Officers.

16. Any assignment made by a warrant officer of any prize money shall be void, unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same, with interest thereon, at five per centum per annum.

Prize Orders of Subordinate Officers, Seamen, and Marines.

17. In this Order the term "subordinate officer, seaman, or marine," includes every person belonging to Her Majesty's naval service, or being a supernumerary attached thereto, except commissioned and warrant officers, and assistant engineers of the second class.

18. The share of any subordinate officer, seaman, or marine, of any prize money, shall not be paid to any person other than such subordinate officer, seaman, or marine himself, or the person named in an order drawn by him as hereafter in this Order prescribed; but this restriction shall not apply to any money (being such a share or part thereof) remaining unpaid on the promotion of a subordinate officer to the rank of commissioned officer, or of a seaman to the rank of warrant officer.

19. Every such order shall be drawn on a printed form issued for the purpose by the Accountant General of the Navy.

20. Every such order shall be drawn in favour of some one or other of the following persons, by name:—

The drawer's wife:

21. Every such order shall be signed by the drawer in the presence of the person or persons who is or are to certify according to the directions subjoined to the form of order.

22. Every such order shall be irrevocable during the life of the payee, unless in special circumstances the Admiralty think fit to allow of revocation.

23. Every such order shall be absolutely revoked by the death of the payee, so that no interest therein shall pass to the payee's personal representatives.

24. Nothing in this Order shall affect any order drawn by a subordinate officer, seaman, or marine, before the first day of January, one thousand eight hundred and sixty-five.

25. If at any time a person formerly licensed as an agent or his representative has a lawful claim against the share of any subordinate officer, seaman, or marine, of any prize money, in respect of advances made by such agent before the first day of January one thousand eight hundred and sixty-five, the claim shall be duly discharged under the direction of the Admiralty, as nearly as may be as if the said Act had not been passed.

Unclaimed and Forfeited Shares.

26. If the share of any person of any prize money is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed and shall be dealt with accordingly.

27. Notwithstanding that any such share has been forwarded or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the naval prize cash balance.

Closing of Accounts.

28. All accounts relative to any prize-money (whether the same became distributable before or after the commencement of this Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

Persons of Unsound Mind.

29. Where it is made to appear to the satisfaction of the Admiralty that any person entitled to a share of any prize-money is of unsound mind (though not found lunatic by inquisition), the whole or any part of such share may be paid over under the direction of the Admiralty to the wife or relative or other person having the care and maintenance of such person, to be applied for his maintenance and benefit.

Repayment from Greenwich Hospital.

30. All sums from time to time certified by the Accountant-General of the Navy to have been paid to claimants and others proving themselves entitled to shares of any prize-money, which was, before the first day of June, one thousand eight hundred and twenty-nine, paid into Greenwich Hospital, shall from time to time be repaid under the direction of the Admiralty out of the property held for the benefit of Greenwich Hospital.

Annual Account.

31. An account showing all the receipts and expenditure on account of prize-money made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

CIRCULAR No. 33.—LMM.

Admiralty, 9th May, 1872.

(SHIPS' AGENTS.)

(Naval Agency and Distribution Act, 1864.)

The Lords Commissioners of the Admiralty have observed that the provisions of the Naval Agency and Distribution Act, 1864 (37 and 28 Vict. cap. 24), relating to the appointment of Ships' Agents, have not in all cases been complied with; and they desire to call the attention of Naval Officers to this Act generally, and especially to Sections 4 and 5, which impose a duty on the Commanding Officers of Her Majesty's Ships.

2. Section 4 is as follows:—"Each of Her Majesty's Ships of War shall at all times while in Commission have, for the purposes of this Act, an Agent styled the Ship's Agent, to be appointed in the first instance as soon as may be after the Ship is put in Commission, and afterwards from time to time as a vacancy in the office or other occasion may require;"—and

Section 5. "The Ship's Agent shall be appointed from time to time at pleasure by the Commanding Officer of the Ship for the time being, by an Instrument signed and attested in the form given in the schedule to this Act."

The schedule contains the form of appointment of Ship's Agent.

"I (1) Commanding Officer of Her Majesty's Ship (2) hereby appoint (3) of to be the Ship's Agent for the purposes of the Naval Agency and Distribution Act, 1864. Dated the day of (Signed) A.B.

Witness (Signed) A.B.
(1) Name of Officer.
(2) Description and name of Ship.
(3) Name of Agent.
(4) Address of Agent.

3. As great inconvenience has occasionally arisen from the want of a properly constituted Ship's Agent in this country, my Lords desire that, upon a Ship being put in Commission, the Officer appointed to the command of it without delay, appoint a Ship's Agent in accordance with the provisions of the above-recited Act, and report the name of such Agent (as also the name of substituted Agent) to their Lordships' Secretary.

4. In the event of its being found necessary to institute proceedings against any vessel or property, the Commanding Officer will take care that all costs and expenses incurred in such proceedings are paid either by himself or by arrangement with the Ship's Agent. He will forward to the Ship's Agent all the necessary documents to enable him to claim the bounties or proceeds, if any to which the Captains are entitled, or re-payment of any expenses which may have been incurred in this behalf.

By Command of their Lordships,
Vernon Lushington
To all Commanders-in-Chief, &c.

CIRCULAR No. 71.—LMM.

Admiralty 7th November, 1872.

(COSTS OF PROSECUTION IN SLAVE CAPTURE OR UNDER THE KIDNAPPING ACT, 1872.)

The attention of my Lords Commissioners of the Admiralty having been called to the inadequacy of the provision made to meet the expenses incurred by Commanding Officers of Her Majesty's Ships in conducting prosecutions under the Kidnapping Act, 1872, their Lordships are pleased to direct that Circular No. 2, of January, 1871 (Costs of Prosecution in Slave Capture) shall be cancelled, and that the following Regulations shall be substituted for those contained therein:

"1. In case any proceedings shall have been instituted in any Court of Vice-Admiralty or Mixed Commission, or on behalf of any of Her Majesty's Ships in respect of any of the matters enumerated in the 13th Section of the Naval Agency and Distribution Act, 1864, the Commanding Officer of such Ship shall be unable to pay the legal expenses attending the prosecution or to negotiate a bill for the amount on the Ship's Account; he will be at liberty to demand from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 100*l.*, is to be debited by the Paymaster on the Ship's Ledger against the pay of such Commanding Officer who can reimburse himself by drawing on the Ship's Agent for the amount when opportunity shall occur."

"2. In case any proceedings shall have been instituted by or on behalf of any of Her Majesty's Ships in respect of matters under the Kidnapping Act, 1872, the Commanding Officer will be at liberty to obtain from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 200*l.*, will be charged as an Imprest upon such Commanding Officer until the Treasury (when they so decide) shall repay the same under the 11th Clause of the said Act."

"3. It is desirable that the approval of the Commander-in-Chief or Senior Officer on the Station should be obtained before such application of public money; should the delay necessary to obtain such approval in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the ship the case being afterwards reported to the Commander-in-Chief or Senior Officer."

By Command of their Lordships,
Vernon Lushington
To all Commanders-in-Chief, &c.

CONVEYANCE OF TREASURE.

PROCLAMATIONS RESPECTING THE CONVEYANCE OF PUBLIC AND PRIVATE TREASURE.

By Royal Highness the Prince of Wales, Regent of the United Kingdom of Great Britain and Ireland, in Name and on the Behalf of His Majesty.

A PROCLAMATION.

FORGE P.R.

We do hereby exercise the Powers so vested in His Majesty, His Heirs and Successors, by this Our Royal Proclamation, in the Name and on the Behalf of His Majesty, and by and with the Advice of His Majesty's Privy Council, think proper to order and direct, and we hereby order and direct, That all Gold, Silver, and other Articles received as Treasure by special Order, conveyed in His Majesty's Ships and Vessels, in such Ship or Vessel, shall be liable to the Payment of Freight, whether such Treasure belong to the Crown or to other Person.

And in the Delivery of any Gold, Silver, or Jewels, or other Articles as aforesaid, laden on board of any of His Majesty's Ships or Vessels, for which Freight may or shall be payable as aforesaid, or according to the Provisions and Directions hereinafter contained, a Receipt of Lading, or Receipts or Bills of Lading, shall be given and signed by the Captain or Officer commanding such Ship or Vessel, describing the Quantity or Value of such Gold, Silver, Jewels, or other Articles as aforesaid, and the Terms and Extent to which such Captain or Officer commanding such Ship or Vessel so receiving the said Gold, Silver, or Jewels, or other Articles, on board such Ship or Vessel, shall be liable or responsible for, in case of Loss or Damage thereof to which such Ship or Vessel might be liable, in Form or to the Effect

[For Rates see Proclamation dated 23 April 1831, page 444.]

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Scale, or adhering as nearly as possible, in Cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight per Cent., according to the above Scale, shall be endorsed on the Bill or Bills of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, “at such Rate as the Lords Commissioners of the Admiralty shall decide.”

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freight shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, viz.

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief to be entered in the said Order Book an Engagement in Writing in Form or to the Effect following:

I, A. H., am desirous of partaking in the Advantages with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the

Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer Commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Give at the Court at Carlton House, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

TREASURE PLACED ON BOARD H.M.'S. SHIP FOR CUSTODY ONLY.

Admiralty, 4th June

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relating to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody, have decided that freight for such a deposit shall be paid as if such deposit were a conveyance from one station to another within the same station, and is divided (where it has been on board more than His Majesty's ships) among the Captains, as if the conveyance would have been:—In all cases the Hospital is to have a share; and where, after deposit, new bills of lading, or new orders for cargo, either on board another ship or the same ship, made, the freight established for such conveyance the Order in Council is to be charged, over and freight which might be already due on the deposit.

I have it in command from their Lordships that you therewith for your information and guidance
I am, &c. J. W. C.

BY THE KING. A PROCLAMATION.

WILLIAM R.

WHEREAS by an Act passed in the Fifth year of the Reign of His late Majesty King George the Third, Chapter 26th, intituled *An Act to enable His Majesty to make a Rate and direct the Disposal of Freight on the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels*, it is enacted, that after the eighth Day of April One thousand eight hundred and nineteen, all Freight Money to be paid on board any of the Ships and Vessels of His Majesty, of Gold, Silver, and Jewels, or other Article which may by special Order be paid on board, and for which Freight shall be paid at such Rate, and be distributed for such Purposes, and divided to and among such Persons, in such Proportions, and after as His Majesty, His Heirs and Successors, at any time think fit to order and direct by any Proclamations to be issued for that Purpose, of which Act a Proclamation was made on the Twelfth Day of July following, made and signed by His Majesty, the then Prince Regent, and on Behalf of His said Majesty, and other things, a Scale of Rates at which Freight may be payable for Public and Private Treasure in Peace and War, and for different Voyages, and established: And whereas We have it ordered that the said Rates should be altered, therefore, by and with the advice of Our Privy Council, we deem it expedient to issue this Our Proclamation, and We do hereby ordain, declare, and command, That from and after the First Day of September the said Scale of Rates so fixed shall remain longer in force: And we do further declare, that thenceforth the following Rates shall be during Peace and War:

	For Crown Treasure.	For Private Treasure.

For any Distance of Two thousand Leagues and upwards	1	1

ENTRY AND DISCHARGES OF PETTY OFFICERS, 445

Admiralty, 8th October 1942.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private individuals only.

By Command of their Lordships,
SIDNEY HERBERT.

ENTRY AND DISCHARGES OF PETTY OFFICERS, SEAMEN, AND MARINES.

DIRECTIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

Art. 512, p. 182, of Addenda to Queen's Regulations.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds, or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is lame, or has an impediment of speech, or weakness of intellect, and should any of these or other physical defects exist to such an extent as to be in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is to report him unfit without carrying the examination further.

On the contrary, should any person present no outward appearance of unfitness, he is to be directed to divest himself of his clothes; and the Medical Officer is to satisfy himself, by a careful inspection of the person's surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the

existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex

and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp: syphilis, primary or constitutional; gonorrhoea; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula lachrymalis, and ptosis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, and polypus.

7. Disease of the throat, palate, or tonsils; unsound teeth, offensive breath from constitutional causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis dyspnoea, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

10. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distension of the abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

11. The non descent of one or both testicles, varicocele, hydrocele, and sarcocele.

12. Fistula or fissure of the anus, hæmorrhoids, condylomata, or prolapsus of the rectum.

13. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause; aneurism, a varicose state of the veins, especially of the leg. Chalky deposits, bunions, distortion, deformity, or malposition of the fingers or toes; nodes; flat-footedness.

14. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmarys, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

CIRCULAR No. 34.—N.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

CIRCULAR No. 10.—L.M.M.

Admiralty, 10th February 1874.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

Her Majesty, by Order in Council of 13th December, 1873, having been pleased to sanction the following Regulations for the discipline of Land Forces embarked as Passengers on board Her Majesty's Ships the Lords Commissioners of the Admiralty are pleased to direct the Captains of Her Majesty's Ships to govern themselves accordingly.

At the Court at Windsor,

the 12th day of December 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of December 1873, in the words following, viz.:

"Whereas it is provided by Section 88 of an Act passed in the twenty-ninth year of Your Majesty's reign, entitled 'An Act to make Provision for the Discipline of the Navy,' as follows:—

"Her Majesty's Land Forces, when embarked on board any of Her Majesty's Ships, shall be subject to the provisions of this Act to such extent and under such Regulations as Her Majesty, Her heirs and successors, by any Order or Orders in Council, shall at any time or times direct."

"Whereas Your Majesty was graciously pleased by Your Order in Council of the 22nd day of February 1870, to approve the establishment of certain Regulations for the maintenance of order and discipline on board Your Majesty's ships in which Your Majesty's Land Forces may be embarked; and whereas we are of opinion that it would be for the advantage of Your Majesty's Naval and Military Services to amend the above-named Regulations in some particulars, we humbly beg that Your Majesty will be graciously pleased by Your Order in Council to cancel the said Regulations, and in their place to sanction the following:—

"1. Whenever any of Your Majesty's Land Forces, or any Royal Marines formed in a separate corps or battalion, shall be embarked as passengers in any of Your Majesty's ships, the officers and soldiers shall from the time of embarkation strictly observe the laws and regulations established for the government and discipline of Your Majesty's Navy, and shall for these purposes be under the command of the Senior Officer of the ship as well as of the Superior Officer of the Squadron, if any, to which such ship may belong.

"2. If any officer or soldier shall commit any act against the good order and discipline of the ship in which he is embarked, the Commanding Officer of

the ship may, by his own authority, and without reference to any other person, cause him to be put under arrest, or to be confined as a close prisoner, and shall thereupon, if he thinks the case requires it, transmit a report, in writing, of the charges against such officer or soldier to his superior officer, or if there be no senior officer present, to the Commander-in-Chief of Land Forces, in order that the offender may be brought before a Military Court-Martial.

"3. If any officer or soldier commits any act which in the opinion of the Commanding Officer of the Troops requires a trial by Court-Martial, such Commanding Officer shall, with the concurrence of the Captain of the ship, cause him to be disembarked on the first opportunity, or to be removed to a transport ship, and be there proceeded against according to military law. No Military Court-Martial shall be held on board any of Your Majesty's ships in commission.

"4. If any private soldier shall commit any act against the good order and discipline of the ship, the Commanding Officer of the ship, if he thinks the case requires the infliction of any summary punishment for which by the Regulations of Your Majesty's Navy a warrant is necessary, shall apply for the concurrence, in writing, of the Commanding Officer of the troops as to the nature and amount of such punishment, if any, to be inflicted, and upon obtaining such concurrence, in writing, shall, by warrant under his hand, sentence the offender to suffer such punishment accordingly. The sentence shall in all respects conform to the provisions contained in the Naval Discipline Act, 1806, relating to summary punishments awarded by Commanding Officers. If the Commanding Officer of the troops shall decline to give his concurrence as aforesaid, he shall state his reasons in writing, and deliver the same to the Commanding Officer of the ship.

"5. The Commanding Officer of the troops, upon receiving a notification in writing to that effect from the Commanding Officer of the ship, may, in respect of minor offences committed by any of the troops embarked, award such summary punishments as are permitted by the Regulations of Your Majesty's Navy to be awarded without a warrant. Your Majesty's Secretary of State for War and His Royal Highness the Field Marshal Commanding-in-Chief have signified their concurrence to these Regulations."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

MISCELLANEOUS CIRCULARS, &c.

GOOD CONDUCT MEDALS AND GRATUITIES.

Men (including those serving as Pensioners, and excluding those mentioned in paragraph (a) may be recommended for the "Good Conduct and Long Service" Medal and Gratuity under the following regulations, laid down by Circulars No. 78, P., of 16th December, 1874, No. 59, P., of 20th April, 1875, No. 11, P., of 1st July, 1876, and Circular Letter, P., of 2nd August, 1875, viz.:

"Recommendations for Medals and Gratuities are to be made entirely irrespective of the complements of Her Majesty's Ships, it being the intention of the Lords

Commissioners of the Admiralty that there should not be any bar, except a man's own conduct, to his obtaining those distinguishing marks of their Lordships' approbation.

(b). The word "Exemplary" is to be used for describing the character of men with reference to their being granted Medals and Gratuities, and may be given to every man who deserves it in the ship in which he may be serving, regardless of his former history; but the award of such character shall not of itself give any claim to medal or gratuity.

(c). This word is to be entered, annually, on the 31st

of December, and on discharge from Ships, by the commanding Officers of Her Majesty's Ships and Vessels, on the Parchment Certificates of such men as have, during the year or up to the date of discharge, shown themselves eligible for the character under the following regulations; and in such cases it will supersede the use of the words "very good."

(d). A notation of "Exemplary" character having been awarded is to be made at the same time against the names of such men in the Service and Conduct Book.

(e). In awarding this character Commanding Officers are to be careful to use their discretion; and are not to consider that they are bound to give the character merely because a man has kept clear of the Defaulter's Book, escaped punishment, and fulfils the letter of the conditions which render him eligible for the character. *A man's conduct must be specially excellent to deserve the character of "Exemplary."*

(f). The character of "Exemplary" is not, under any circumstances, to be given for any year in which a man has been in the Second Class for Conduct, or has been disgraced for misconduct, or has been imprisoned, by the Civil Power or otherwise, or confined in cells, or deprived of a Badge, or Good Conduct Medal, or has been placed below the privileged class for leave.

(g). Ten years of continuous "Exemplary" character will entitle a man to medal, and fifteen years of continuous "Exemplary" character to gratuity, *provided he has never, during the whole of his previous service in time reckoning for Pension, deserted, or been in the Second Class for conduct, or imprisoned by the Civil Power, or otherwise, or been awarded a character inferior to "Very Good," except one year of "Good," in his first 5 years of time, reckoning for Pension.*

NOTE.—The character given in such portion of Boy's service as does not reckon for Pension has no effect on his claim to Medal and Gratuity; but that given in such portion of a Boy's service as does reckon for Pension, under former regulations, must not be inferior to "Good" in order to give him a claim.

A break in service caused by a man being invalided will not be considered as breaking the continuity of his "Exemplary" character, provided he rejoins as soon as the state of his health will admit.

(A). Desertion, reduction to the Second Class for Conduct, Imprisonment, by the Civil Power or otherwise, or the award of a "Fair" character, during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in the following paragraph.

(i). In order not entirely to exclude from the honour of a Medal, a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become an exemplary character, the Lords Commissioners of the Admiralty will consider (with reference to the grant of a Medal without gratuity) the case of any man who can show fifteen years of continuous "Exemplary" character, notwithstanding anything he may have done, or any character which may have been awarded to him, except "bad" or "indifferent" in his previous service.

(k). The Lords Commissioners of the Admiralty will also consider the case of any man who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise.

(l). A man to whom a Medal has been awarded will be liable to be deprived of it summarily by Warrant under the hand of his Captain for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or of the Admiralty when the Captain may not be serving under the orders of a senior officer; the deprivation to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The medal to be returned to the Accountant-General of the Navy.

NOTE.—The infliction of any of the punishments mentioned in paragraph (g), after a medal has been awarded, entails forfeiture of the medal; except as provided for in the following article; but if "very good" character is given for the year in which the deprivation takes place, the medal may be restored after ten years of continuous "exemplary" character after the year in which the medal was taken away.

(m). A man may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of Commanding Officers to take away one badge without depriving a man of his Medal.

If a Badge is taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

If the Badge is not regained within twelve months from the date of deprivation, the Medal is absolutely forfeited; and the deprivation is to take place publicly as above directed.

If two or more badges are taken away, and not one only, or if a man loses a second badge, his Medal is absolutely forfeited, and the deprivation is to take place publicly as above directed.

Notations on Parchment Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a badge; and also in all cases of absolute forfeiture.

(n). Men who have for ten consecutive years been given the character of "Exemplary" under these conditions, may be recommended for Medals at any period of their service after the completion of such ten years.

(o). Men who have for fifteen consecutive years been given the character of "Exemplary" under the foregoing conditions, may be recommended, *on their discharge to Pension, for Gratuities in addition to their Medals.*

The scale for Gratuities shall be as follows:—

Chief Petty Officers, having served as Chief	£
and First Class Petty Officers, for not less than ten years	20
First Class Petty Officers, having served as such for not less than ten years	15
Second Class Petty Officers, having served as such for not less than seven years	10
Leading Seamen, having served as such for not less than five years	7
Able Seamen and others not excluded by paragraph (q)	5

(p). In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such one of the lower rates, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award to him.

(q). Neither Medals nor Gratuities will in future be bestowed on Ordinary Seamen, Third Class Writen, Third Class Signalmen, Second and Third Class Boatswains, Ship's Stewards' Assistants, Assistant Sick Berth Attendants, and boys of every description.

(r). Lists of men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the form prescribed for the purpose, by the Commander-in-Chief and Senior Officers at Home and Abroad, and the Divisional Officers of Coast Guard, as soon as the men become eligible for them; and when their Lordships' approval has been received, the Medals and Gratuities are to be presented before the Ship's Company, by the Captain of the Ship.

A complete history of badges, showing the dates of award, deprivation, and restoration, must be given on the copies of Certificate sent in to office.

(s). It must be distinctly understood that Medals will only be granted after ten years of "Exemplary" character on the condition that the recipients continue to serve for Long Service Pension, unless invalided; and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of man's service, in which case he may retain it.

(t). If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

(u). In the case of a man who has joined from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army Service, subject, however, to the rules as to ten consecutive years of "Very Good" or "Exemplary" character after punishment.

(v). These Regulations are to come into operation on the 1st day of July 1878, and are to apply to all persons of the ratings herein mentioned borne on the Books of Her Majesty's Ships and Vessels; and in the Coast Guard afloat and on Shore; and to Royal Marines in Divisions as well as Embarked.

Temporary Provision.

18. In the cases of men now in the Service, time served before the 1st of July 1878, with "Very Good" character:

allowed to reckon as "Exemplary" for Medal service, provided their conduct has been such as to entitle them of being considered "Exemplary" under existing regulations.

Admiralty, 11th April 1877.

REVENTURE OF GOOD CONDUCT MEDALS.

In accordance to Article 27, page 31, and Article 18, of the Revised Pension Regulations of 1st July 1874, the Lords Commissioners of the Admiralty are directed that if a Petty Officer or Leading Seaman, or Non-commissioned Officer, R.M., in receipt of a Good Conduct Medal, should be disgraced, or for misconduct, he is to be absolutely deprived of the Medal, but if "very good" character is given for which the deprivation takes place, the Medal is to be restored after 10 years of continuous "exemplary" service after the year in which the Medal was taken.

By Command of their Lordships,
ROBERT HALL.

Commanders-in-Chief, &c.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £30) in the cases of Chief and First-Class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State

Foreign Affairs, either through the British Minister attached to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

5. The service for which it is proposed to confer the Cross has been performed during War, the Notification required by the preceding Clause must be made not more than two years after the exchange of the Ratification of a Treaty of Peace.

consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll, bearing this Inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Sevently.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen

and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them: then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twentieth of January, in the nineteenth year of Our reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,
 PARKES.

The Medal will accordingly be awarded as follows:—
1st. To the Officers, Seamen, Marines, and other persons serving on board of Her Majesty's Ships "Alert" and "Discovery," between the 17th July 1875, and the 2nd November 1876.

Every applicant must state his rank or rating and the name of the ship on board which he served; in the case of every Petty Officer, Seaman, or Marine, it is indispensable that the applicant be accompanied by a certificate of service, unless the application is serving on board one of Her Majesty's Ships, when the application should be made through the Commanding Officer.

THE ALBERT MEDAL.

WARRANT extending the two Decorations styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in saving life on land.

VICTORIA R.
VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

Whereas a Warrant was given under Our Royal Sign Manual, bearing date the 7th March 1866, in the 29th year of Our reign, "instituting a new decoration to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say:—

"VICTORIA R.
Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

Whereas We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwreck and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour:

"Now for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents for Us, our heirs and successors, institute and create, a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained that the distinction shall be styled 'The Albert Medal,' and shall consist of a gold oval-shaped badge or decoration enamelled in dark blue, with a Monogram composed of the letters V. and A., surmounted with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the aforesaid Prince Consort, and suspended from a dark blue ribbon of five-eighths of an inch in width with twelve longitudinal stripes.

"Secondly.—It is ordained, that the Medal shall be suspended from the left breast.

"Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a copy thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received the Medal, again performs an act which he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended;

and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medal shall only be awarded to those, who, after the date of this instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, intitled a Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled "The Albert Medal," and instituting in lieu thereof two new Decorations, to be styled respectively "The Albert Medal of the First Class," and "The Albert Medal of the Second Class."

And whereas the Warrant of the 12th day of April 1867, after reciting the said Warrant of the 7th day of March 1866, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled 'The Albert Medal of the First Class,' and shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter

in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue ribbon of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled 'The Albert Medal of the Second Class,' and shall consist of the like shaped enamelled badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained, that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1860, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that *The Albert Medal of the First Class* shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*."

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith by erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

"And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore.—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts are graciously pleased to extend the two Decorations styled respectively "*The Albert Medal of the First Class*" and "*The Albert Medal of the Second Class*" to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and

establish the following Rules and Ordinances, which shall from henceforth be inviolably observed and kept."

First.—It is ordained that "*The Albert Medal of the First Class*," when conferred for Gallantry in saving on land, shall consist of a gold oval-shaped badge decorated, enamelled in crimson, with a Noe composed of the letter V. and A., erect in gold rounded with a Garter in bronze, inscribed in letters of gold. "For Gallantry in Saving Life on Land" and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson ribbon of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that "*The Albert Medal of the Second Class*," when conferred for Gallantry in life on land, shall consist of the like badge, save except that it shall be entirely worked in bronze in gold and bronze, and shall be suspended from a ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the "London Gazette," and a register thereof kept in the Office of the Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril within Our dominions, or other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of the Treasury.

Seventhly.—It is ordained that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*."

Eighthly.—In order to make such additional provision as shall effectually preserve pure these most honourable Distinctions, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

Given at Our Court at St. James's, the 21st of April, One thousand eight hundred and sixty-seven, in the Fortieth year of Our reign.

By Her Majesty's Command,
(Signed) RICHD. ASSHURTON.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn,—and for granting Clasp and Bars for subsequent acts of bravery, in cases

By Command of their Lordships,

To all Commanders-in-chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

(To take effect from the 1st October 1870.)

This notice is issued by the Secretary of State for the Colonies, for the information of Officers wishing to retire from Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer privileges to that class of settlers in the acquisition of crown lands.

1. Colonies which offer Privileges.

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia and Malacca.

2. Officers entitled to Privileges.

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades lower than that of Sub-Lieutenants; Military Officers of all grades not lower than that of Subalterns; (b) seven years' standing; (c) Regimental staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

3. Officers not entitled to Privileges.

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Junior Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, those who have ceased for the space of three calendar months to belong to Her Majesty's Service, (and have not obtained the Memorandum of Rank and Service mentioned).

4. Nature and Extent of Privileges.

In British Columbia a certain quantity of land is reserved in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scale, viz:—

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	300

In Malacca a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz:—

	£
Field Officers of 25 years service and upwards, in the whole	900
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	300

Yrs. Officers receive allowances corresponding with their rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1863.

5. Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man,

from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage *bona fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve-month from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

The UNION ASSURANCE SOCIETY has now been in existence for upwards of One Hundred and Sixty Years.

The Invested Funds of the Company exceed ONE MILLION AND A HALF STERLING; which, in conjunction with the guarantee of an influential and wealthy Proprietary, enable the Company to offer to intending Assurers the most absolute security.

FIRE DEPARTMENT.

The Directors are ready to receive Proposals for insuring Property generally, in Great Britain and Ireland, at equitable Rates, and according to the risk to be protected.

LIFE DEPARTMENT.

Four-fifths of the Office Profits are appropriated to the benefit of the Assured every five years, thus giving them nearly all the advantages of a Mutual Company, but without any risk or liability whatever.

During the last thirty years the BONUS has averaged upwards of

One Pound Ten Shillings per Cent. per Annum on the Sum Assured.

The Bonus can either be applied in increasing the Sum Assured, in reducing the Amount of the Annual Premium, or its present value can be received in Cash.

Where the Bonus has been applied to reduce the Annual Premiums, considerable reductions have been made; and in many instances the present with the past Bonus additions will completely extinguish all future Premiums payable under the Policy.

Officers in the Royal Navy or in H.M. Marine Forces can insure by uniform Annual Premiums, not subject to increase on their being ordered abroad or residing whilst in either of these Services in any part of the world.

The following are the Whole-world Rates for an Assurance of £100 on the life of a Naval Officer, exclusive however of the risk incurred in actual warfare.

REMOVED FROM 7, WIGMORE STREET, LONDON, W.

Established 1830.

IMPORTANT TO ALL,

Especially to Consuls, Ship Captains, Emigrants, and Europeans generally, who are visiting or residing in Hot or Foreign Climates, as a means of keeping the system clear, and thus taking away the groundwork of Malarious Diseases and all Liver Complaints, or as a Health-giving, Refreshing, Cooling, and Invigorating Beverage, or as a Gentle Laxative and Tonic in the Various Forms of Indigestion,

ENO'S FRUIT SALT

particularly valuable. No Traveller should leave home without a supply, for by its use the most dangerous forms of Fevers, Blood Poisons, &c., are prevented and cured. It is, in truth, a Family Medicine Chest in the simplest yet most potent form. Instead of being lowering to the system, this preparation is, in the highest degree, invigorating. Its effect in relieving thirst, giving tone to the system, and aiding digestion, is most striking.

FOR BILIOUSNESS or SICK HEADACHE, Giddiness, Depression of Spirits, Sluggish Liver, Vomiting, Sourness of the Stomach, Heartburn, Costiveness and its evils, Impure Blood and Skin Eruptions, &c., ENO'S FRUIT SALT is the simplest and best remedy yet introduced. It removes, by a natural means, effete matter or poison from the blood, thereby preventing and curing boils, carbuncles, fevers, feverish skin, erysipelas, and all epidemics, and counteracts any ERRORS of EATING or DRINKING, or any sudden affliction or mental strain, and prevents diarrhoea. It is a Pleasant Beverage, which supplies the want of ripe fruit, so essential to the animal economy, and may be taken as an invigorating and cooling draught under any circumstances, from infancy to old age, and may be continued for any length of time, and looked upon as being a simple product of fruit. It is impossible to overstate its value, and on that account no household ought to be without it, for by its use many disastrous results may be entirely prevented. In the nursery it is beyond praise.

TO EUROPEANS who propose residing in, or visiting HOT CLIMATES, I consider the Fruit Salt to be an indispensable necessity, for by its use the system is relieved of poisonous matter, the result of heating to nearly the same extent, and of too rich food, as they do in a colder country, while so much heat-making food is not required in the warmer climate. By keeping the system clear, the Fruit Salt takes away the groundwork of malarious diseases, and all liver complaints, and neutralises poisonous matter. Out of a large number of testimonials we select the following:—

ENO'S FRUIT SALT.—A gentleman states:—"In cases of bilious headache, followed by severe attacks of fever, ENO'S Fruit Salt has acted like a charm, when all other treatment failed. The day is not far distant when the neglect of its use in all fevers and diseases resulting from poisoned blood will be considered criminal." See "Stomach and its Trials," 10th edition, post free 14 stamps.

ENO'S FRUIT SALT.—Messrs. Gibson & Son, Chemists, of Hexham, say:—"Since we introduced your Fruit Salt in Hexham a few months ago, we have sold upwards of one thousand bottles, and it gives general satisfaction, as customers who get it almost always recommend it to their friends."

With each Bottle of Fruit Salt is wrapped a LARGE ILLUSTRATED SHEET, showing the best means of stamping out infectious diseases, Fevers, and BLOOD POISONS, &c. If this INVALUABLE INFORMATION was universally carried out, many forms of disease now producing such havoc would cease to exist, as Plague, Leprosy, &c., have done, when the true cause has become known.

Prepared only by J. C. ENO, Fruit Salt Works, Newcastle-on-Tyne.
